

Giving Streams - *Developing an Ethos of Generosity*

## CHURCH DEVELOPMENT

*The Third Space*, led by Dave Blondel and Chris Vyn, is a one year old church plant ministering in Peterborough. The church focuses its energy on working “seamlessly within its own neighbourhood” and “living, understanding, and growing amongst the very people it intends to serve.”

Participants are encouraged toward an active encounter with God — and leaders seek to connect all through discussion, art, music, creativity, learning, media and teaching.

Developing new and healthy churches in communities across Canada is a priority. Church Development makes funds available to help with the start-up of new church plants like *The Third Space* — our collective contributions can help. **Your giving, directed to “Church Development” through your local church, can help church plants establish permanent ministries.**

### Church Development 2006 Goal

[for all projects] \$50K
