

One of the core values of the Free Methodist church is learning. We also seek to invest resources strategically and mature those who desire to grow as part of our national church mission. It is the vision of The Free Methodist Church in Canada to see healthy churches within the reach of all people in Canada and beyond. Developing future leaders is a critical component to meeting the above goals and remaining consistent to our mandate. Embedded in our ethos and initiated by faithful visionaries through our Canadian existence as a church, are scholarships. Following are the categories available for application:
